

Dates for your diaries!

FREE Opportunity for children 3-11yrs to join Wetherby Arts Festival's Dance Project

We would like to invite your child to join Wetherby Arts Festival's Dance Project, designed with social distancing, safety and wellbeing in mind. Led by a team of professional local dance artists, the workshops will focus on the link between imagination and movement, no previous dance experience is needed.

Join online sessions from your home and outdoor sessions working with a professional film maker and dance artists in 2021 (see dates below). To support the online sessions prior to the first workshop you will receive a small activity pack in the post, this will include ideas children can do at home.

If you would like your child to be involved please can you email katy.improplay@gmail.com

Then fill out the consent form to confirm your space in the project: <https://forms.gle/DwvqPt4RYSMp2YVM6>

We can't wait to get creative and collaborate! We have a musician making bespoke music for the dance film we'll create together and our dance artists Katy, Soul and Rachel are looking forward to meeting you. If you would like an introductory "hello" Zoom for you and your child to try it out and feel comfortable before the first session, just let me know or any questions don't hesitate to ask. In the meantime please get in touch if you are interested, fill out the form above and in a few weeks time look out for a little something in the post!
